

Connect Evernote to your calendar

Your day moves fast. Bring your schedule and notes together to make the most of every moment.

[Get Evernote free](#)

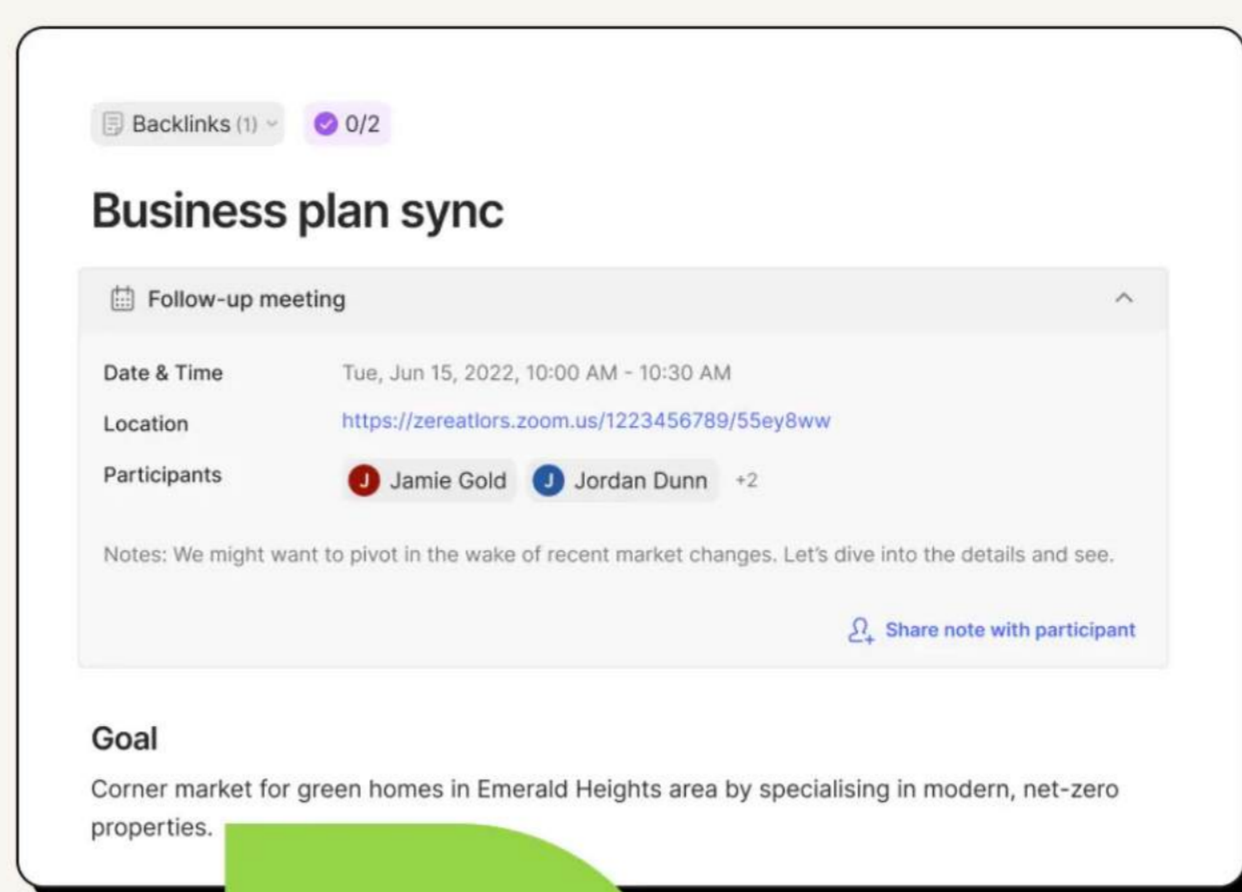

Jump-start your day

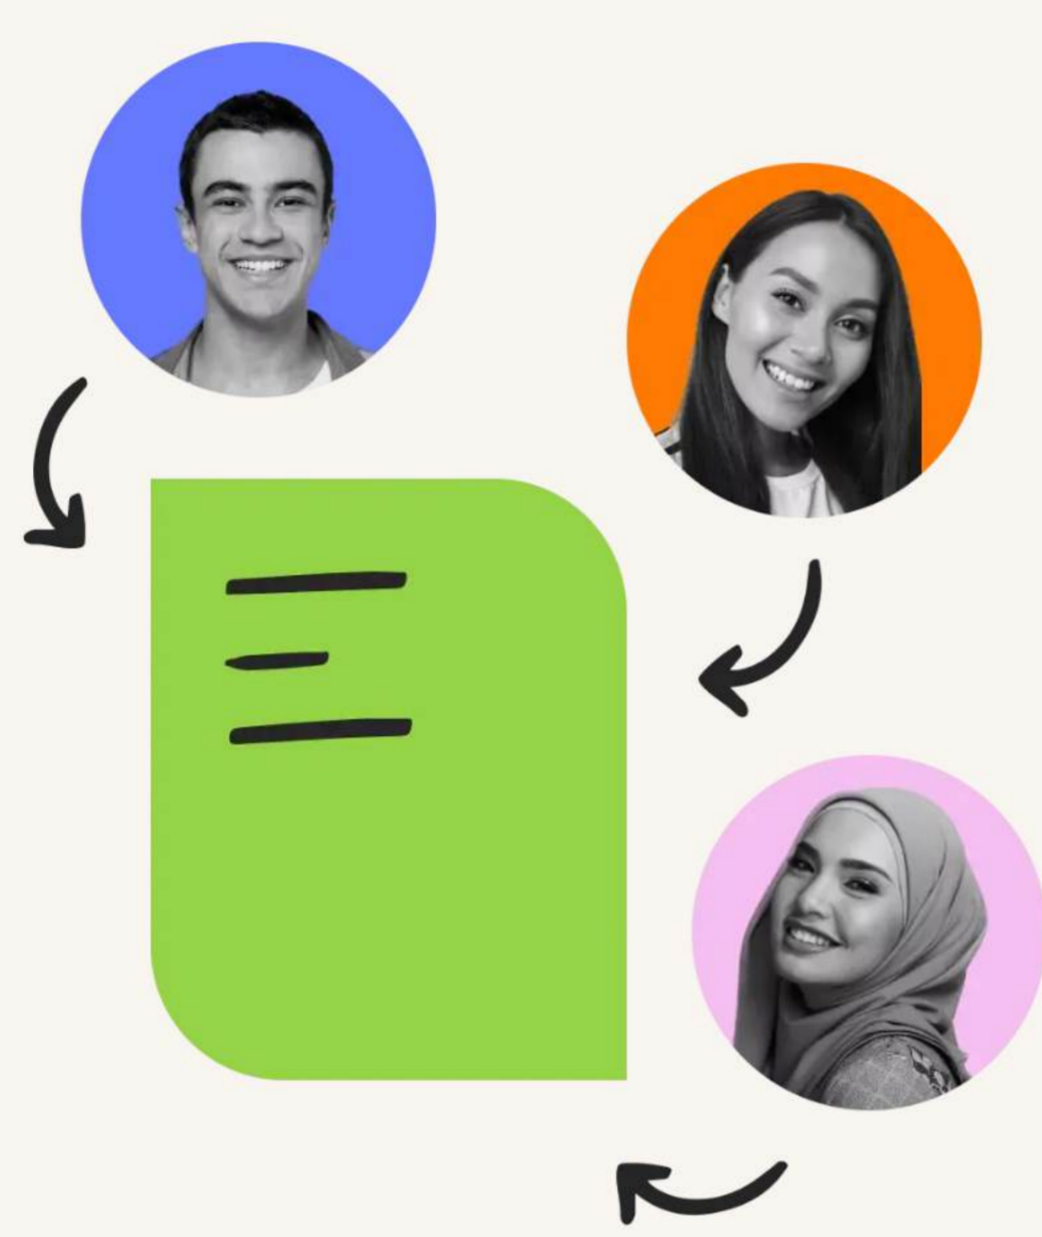

Prepare for meetings faster, ahead of time or on the spot. One click sets up a new note, complete with event details.

Psst. Forget something?

Evernote can remind you to take notes before or after your meetings, so you never miss a detail.

Get in the flow (and stay there)

Evernote is where your notes, schedule, and tasks come together so you can get more done with less effort.

- Streamline your day**
 - Create notes instantly and get quick access to them later, right from the widget in Home.
- Master your meetings**
- Stay on top of it all**
- Find the right note, right now**

Evernote is a powerful tool that can help executives, entrepreneurs and creative people capture and arrange their ideas. All you have to do is use it.

Forbes

Tame your work, organize your life

Remember everything and tackle any project with your notes, tasks, and schedule all in one place.
